

Branch Presidents, New York and New England Areas,

Just in case you haven't already received information about an important event that is coming up on Wednesday, December 4, 2013, here is information that we are sure that you will want to have. The NAPS board members who serve you in New York and New England are scheduling a special meeting to receive important information on the Postal Service's new health plan proposal.

This presentation will be given by the Vice President of Labor Relations, Doug Tulino. Arrangements have also been made for presentations by Rick Uluski, the USPS Northeast Area VP and Dr. Joshua Colin, the Eastern Region Area VP. Invitations have also been extended to the District Managers throughout the Northeast Area and Eastern Area to attend this important meeting. Our Executive Vice President, Jay Killackey will also provide a legislative update.

Here are the details for your calendar and scheduling:

Date: December 4, 2013

Time : 11:00 a.m. (complimentary lunch will be served promptly at 11:00 a.m.) – meeting should conclude by 3:00 p.m.

Location: James A. Farley Post Office, Room 4500, 33rd St. and 8th Avenue, Manhattan (adjacent to Penn Station, NYC)

Due to seating restrictions in the room we are using, ONLY state and branch presidents and state legislative chairs are being extended invitations. Those active employees who are attending will be ON THE CLOCK for the day, courtesy of the USPS Area Vice Presidents.

Recommendations for travel: Amtrak. For those flying, use LaGuardia Airport.

Overnight lodging should not be necessary and if so, it will be at your own expense.

If you have any questions, please contact Tommy Roma, Jimmy Warden or Cy Dumas.

Thanks

Tommy Roma
NAPS Northeast Region VP
